

Co-Creation Labs in practice

Co-creating, implementing, and learning from social-oriented science activities

In the framework of the Arqus Research & Innovation project, we invite you to two mini-webinars on co-creation practices involving different stakeholders in content creation at partner universities. We kindly invite researchers representing all career stages and all disciplines or cross-disciplinary research field and all other interested in the topic from Arqus Universities to save the dates and to participate in the events.

The first one will be held on **6 March 2023 10 a.m. (time zone CET)** and the second on **20 March 10 a.m. (time zone CET)**. The mini-seminars will take place online, link will be sent only to registered participants (see link below).
