

SCHOOL MEETINGS

Ph.D. Psychological Sciences

30.10.2025
GIOVANNI
PARMIGIANI

Interviewed by
FILIPPO GAMBAROTA

Giovanni Parmigiani is an Italian statistician with degrees from Bocconi University (B.S.) and Carnegie Mellon University (M.S., Ph.D.). He is Professor of Biostatistics at Harvard T.H. Chan School of Public Health and in the Department of Data Science at the Dana-Farber Cancer Institute. His work focuses on statistical methods in cancer genomics, contributing to a deeper understanding of inherited cancer risks and supporting informed decision-making.
